The Alphabet Book of Nonsense

By Allison Jenkinson

Allison Jenkinson, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The main idea behind this book is to introduce the sounds of each letter of the alphabet. Written with nonsense sentences in mind, adds to some fun learning and encouraging memory skills. Highlighting the main font in each sentence has been put in place to show children what the letter looks like as they hear the sound repetitively. The pictures add a special touch to each letter showing many images that start with the same sound. The reason behind the DID YOU KNOW page is to allow children to learn about the characters in the book. Or if the children have a favourite animal or insect they would like to know about there is some interesting information about them.
