AUTHENTICALLY HAMBURG

Herb Lester Associates Ltd, United Kingdom, 2017. Sheet map, folded. Condition: New. Language: English . Brand New Book. This rough and ready port has a softer side too. There are wonderful parks, coffee shops (and even a coffee museum). It has specialist record stores, a miniature city and an Art Deco tunnel that runs beneath the Elbe. Our guide has all you need for a few days in this historic town - where to eat, drink, shop and what to see. Small and tightly focused, our guides are concise city tours in a handy fold-out format that slips neatly into an intrepid traveler s pocket. Our aim is to introduce readers to new places as well as re-evaluating familiar ones, and we are as keen to find a new way to see the Louvre as we are to discover an untouched 1950s cafe. Informed by on-the-ground research, our one-sheet guides and maps uncover what makes a city special. They are written and researched in-house, and an illustrator who has been specially chosen for the subject designs each one. Whether it s an excursion into the greener areas of London (more numerous than you might think), Paris s beatnik bookshops, the otherworldly landscape just outside Reykjavik, or the watering holes of Brooklyn, we highlight what makes a place distinctive with our specialist knowledge and illustrations with vintage charm. In A6 format, the guides fit easily into a pocket and then expand out to A3 or A2 to display the attractions of each city. Each fine-quality sheet is litho-printed in England on 100 recycled stock.
