Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Truth About the Game Laws When all is said-and done, however, Sport, in so far as it embraces the hunting and killing of wild animals, is invariably more or less demoralising - is, in fact, a relapse from Civilisation to Barbarism. Therein lies Its real fascination for men bored with the proprieties and duties of the nineteenth century. The instincts of the primeval man - food-hunt ing, predatory, self-preserving - te-emerge in the modern; moral sanctions are disregarded, the rights of inferior races are forgotten, and the hunter feels himself, figuratively speak ing, naked, Savage, blood-thirsty, and un ashamed. Sportsmen for this reason, are invariably selfish and conservative. A Sports man fwwho is a Radical in politics, and a pioneer in social science, is an impossibility. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
