Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Simon Schuster Ltd, United Kingdom, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Married four times, Susannah Forbes had a stary career as a top model. Now, with an instinctive eye for colour and design, she finds herself in constant demand as an interior designer. Offered a commission by a recently divorced American to make over his lavish Long Island home, Susannah accepts, bringing as her assistant young divorcee Daisy Mitchell. Taking off from Heathrow, Susannah is transported back to a time when, at the height of her modelling career, she lived in New York. She is walking down Madison Avenue, calling in on ad offices, being hired for exotic, back-breaking shoots. She is posing in Vogue s studios, being photographed by America s big names: Penn, Avedon, Stern. She is in California, with Sinatra and friends, mixing with Marilyn Monroe, Bob Hope, Ella Fitzgerald. She relives her Washington weekends, spending time with JFK and Jackie. Weaving together a fascinating past and a present full of emotional turmoil, Sandra Howard draws us into a world she knew so well, of glamour, style and high society, but where, below the surface, extravagence, insecurity and infidelity run rife.
