Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The darkest visions of life and peril unfold underneath a veil of superficial judgment and prejudice strewn across an ancient land of magic, evil and confusion. The Tale of the Doughboy goes beyond the rural understanding of those who cause the sad, but ultimately blessed life of one misplaced human. A human, brought far from home and country, taught nothing but pride, honor and respect from her family and given nothing, but misery from her new home. Time and tribulation create a series of events that change the destiny of a lost kingdom and free the many tormented souls of the cursed and plagued land.
