

Adopting Ict and Green Skills in Teaching and Learning: Btv et in Uganda (Paperback)

By Adam a Alli

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book provides a stepping stone to improve the quality of teaching and Learning in Business, Technical, Vocation, Education and Training (BTVET) institutions in Uganda. This is done by providing literature and framework needed to adopt Information and Communication Technology(ICT) and Green Skills in BTVET. Though considerable amount of literature exists on the importance of adopting ICT and green skills in Technical, vocation, Education and training (TVET), little has been documented on adoption of the both ICT and Green skills in BTVET institutions in Uganda. In this book we document the background against which BTVET is assembled in Uganda, this includes the current education and career path for students, the rank of BTVET in education system, and the significance of BTVET education to Uganda. This may in one way or the other act as a blue print to developing country with similar features like Uganda . We follow it by an overview of adopting ICT in BTVET, learning theories and supporting technologies, trends of technology use in BTVET, ICT supported environment and areas in BTVET that need adoption of ICT in...
