Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On a beautiful summer morning, Jake wakes up his little brother Zach bright and early. Today is a very special day, and Jake doesn't want to miss a single minute. Along with their parents, the boys have flown to visit their grandparents, Gramps and Nana, at their home on the lake. After a hearty breakfast of their favorite treat, blueberry pancakes, the kids are anxious to strike out, for today it will be just Gramps, Jake, and Zach off on a fishing adventure of their very own. First stop: the bait shop, where they select a carton of wriggly (and kind of gross) worms. Then it's on to the lake, to a special spot Gramps picks out just for them. Not only do the boys catch their very first fish, they also spot a deer, loons, and even an eagle. All in all, it is a perfect day, made all the better by Gramps's promise that they will have many more together. **Jake and Zach s Special Day** is a heartwarming and fun-filled picture book about the importance of grandparents and how lasting memories are born of the simplest of adventures.
