WND BOOKS, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Billionaire Cab Driver is an easy-to-read financial primer that reveals all of the secrets of personal financial planning that should have been taught to everyone in school. So how did a cab driver from the small Polynesian Island of Kiki Loa become worth over \$20 billion? That is what Dan Langston, and hundreds of other reporters, all wanted to know! Fortunately for Mr. Langston (and you), he won the rights from Mr. Kane to report his remarkable life story . . . and *Memoirs of a Billionaire Cab Driver* is the result. In this fantastic story ancient wisdom meets modern-day techniques. Billionaire cab driver Mr. Kane drives reporter Mr. Langston around the island for a full day as he explains the secrets to building personal financial independence using examples already present in nature. By the day's conclusion, the cab driver has revealed all of the major financial principles necessary for building a personal financial plan that ensures financial success, including: Don't rely on what you think you know as the whole truth; stay open to other possibilities. Realize that profits are made on most investments when you buy them, not when you sell. Never rely on a broker as an advisor. Money won't buy happiness if you are not already happy. The rule of 72 - used to determine the amount of time for an investment to double in value. Time management is essential for your success. The value of using justified debt to profit from other people's money. Designed to create a paradigm shift in the way people think about and relate to money and the ability to use it in a way to achieve their financial dreams, *Billionaire Cab Driver*...
