From New York Times bestselling author SHANNON STACEY Meet the tough, dedicated men of BOSTON FIRE--and the women who turn their lives upside down Rick Gullotti lives the good life, fighting fires and dating beautiful women--though none for very long. And thanks to helping his elderly landlords, his rent is low. But when his concerns about their health lead to a long-legged girl appearing on his doorstep, life as he knows it starts getting away from him. Jessica Broussard has no interest in leaving sunny San Diego for the rougher side of Boston, but she's been dispatched to deal with grandparents she's never met. She's wholly unprepared for the scruffy-but-hot danger-junkie firefighter who lives upstairs. At first, Jessica is determined to get out of Boston Fire country as quickly as possible. All she has to do is talk her grandparents into selling their monstrosity of a house. But nobody's taking advantage of Rick's friends on his watch, even if that makes Jessica his adversary. Unfortunately for them both, the only thing more urgent than the matter at hand is their sizzling chemistry--and it's quickly becoming too strong to resist.
