THE SPIRIT WORLD TALKS TO US: 12 ACCOUNTS FROM NEAR DEATH AND OTHER EXPERIENCES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The spirit world is talking to us . each and every one of us. Most of us are unaware of the subtle signals and soft voices that draw us to listen to our conscience. But they are there, ever hopeful that we may discover the truth about our sojourn on this blue planet. Occasionally, some of us are drawn up and out and given detailed information and in some cases - instructions. Spirit mentors, people like us, but now on the other side - the reality - are pulling for our successful education in the campus of earth. These lucky few are given a timeout. They were summoned from the classroom and given a dose of their true state - who they are, why they are here, what they are supposed to learn, and in some cases, their specific mission. The spirit world, led by the Supreme Intelligence, the Divinity, God, or the Matrix - whatever name you wish to call it - is guiding us. Actively. Precisely. With compassion and love. The spirit realm fully realizes our new found methods of social interaction and expects those who are exposed to the revelations to share them. The twelve experiences, not only unalterably changed those who lived them, but brought back knowledge for all of us. The experiences reviewed in this book layout exciting disclosures about the spirit world and ours. We are told about heaven, the different spiritual zones around the earth; how karma is real and why we need multiple lives to learn to become a person who radiates love in all circumstances. We learn that the concept of time is different in the spirit universe and about the...
