Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Veteran: And His Pipe The demand for a second edition of this work allows no time for the correction of mere verbal errors. The essays herein contained were written week by week during the year 1885, their character being determined by contemporaneous events. In a cursory review the author finds no reason to desire any substantial change. The convictions expressed in these pages have only been emphasized by subsequent events. Pascal Raines and Rans Whiting are types of the healthiest sentiment of the two great elements of yesterday. The sacrifice and heroism of the days of strife will have been worse than vain unless they shall teach wisdom, devotion to the right, an exalted sense of patriotic duty, and a righteous scorn of subterfuge, evasion and pretense in the direction of public affairs. Whatever may be the truth in regard to material things, civilization is undoubtedly a revolution. Liberty is a plant whose petals open very slowly and whose perfect bloom the world has not yet seen. God gives us yesterday that we may make to-morrow better. The soldier who fought for Freedom and the Right did only his duty. He deserves no more credit than he who serves the country with like aspiration to-day. It is as an example of patriotic devotion, and not as a mere survivor of perilous times, that he deserves to be remembered. What he did may very well be forgotten. Why he did it is the priceless legacy he left for the betterment of tomorrow. Whenever the present fails to rise to the level of the past in patriotic aspiration, the future is in peril. Civil war in a republic is...
