Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

TIRUKKURAL

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: Tamil . Brand New Book ***** Print on Demand *****.Tirukkural also known as the Kural, sometimes spelt Thirukkural, is a classic of couplets or Kurals (1330 rhyming Tamil couplets) celebrated by Tamils. It was authored by Thiruvalluvar, a poet who is said to have lived anytime between the 2nd and 6th centuries AD. It is undoubtedly one of the finest wisdom literatures India has ever produced. Although the exact period of its composition is still disputed, scholars agree that it was produced in the late Tamil Sangam period. The Thirukkural expounds on various aspects of life and is one of the most important works in the Tamil language. This is reflected in some of the other names by which the text is known: Tamil marai (Tamil Vedas); poyyamozhi (words that never fail); and Daiva nool (divine text). The book is considered to precede Manimekalai and Silapathikaram since they both acknowledge the Kural text. Thirukkural (or the Kural) is a collection of 1330 Tamil couplets organised into 133 chapters. Each chapter has a specific subject ranging from ploughing a piece of land to ruling a country. According to the LIFCO Tamil-Tamil-English dictionary, the Tamil word Kural literally means short verse, and is typified by the Venpa metre that consists of two lines. In the aspect of metre brevity, and the profundity of expression, it can be compared with the Sutra style of Sanskrit poetry. Thirukkural comes under one of the four categories of Venpas (Tamil verses) called Kural Venpa. The 1330 couplets are arranged into 3 main sections and 133 chapters. Each chapter contains 10 couplets. A couplet consists of seven cirs, with four cirs on the first line and three on the...
