Pictish Beast Publications, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Zombies Love Brains is a salutary tale for young readers, aged 3 and older, which explains that becoming a zombie is no reason to be impolite to others and take things that don't belong to you without asking. With words by Colin M. Drysdale, more widely known for his post-apocalyptic survival novels for older readers, and lovingly illustrated by Mike Kloran in his own unique style, this unconventional children's book is likely to become a cult classic with both parents and children alike.
