Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Vittoria From Monte Motterone yon survey the Lombard plain. It is a towering dome of green among a hundred pinnacles of grey and rust-red crags. At dawn the summit of the mountain has an eagle eye for the far Venetian boundary and the barrier of the Apennines; but with sunrise come the mists. The vast brown level is seen narrowing in; the Ticino and the Sesia waters nearest, quiver on the air like sleepy lakes; the plain is engulfed up to the high ridges of the distant Southern mountain range, which lie stretched to a faint cloud-like line, in shape like a solitary monster of old seas crossing the Deluge. Long arms of vapour stretch across the urn-like valleys, and gradually thickening and swelling upward, enwrap the scored bodies of the ashenfaced peaks and the pastures of the green mountain, till the heights become islands over a forgotten earth. Bells of herds down the hidden run of the sweet grasses, and a continuous leaping of its rivulets, give the Motterone a voice of youth and homeliness amid that stern company of Titanheads, for whom the hawk and the vulture cry. The storm has beaten at them until they have got the aspect of the storm. They take colour from sunlight, and are joyless in colour as in shade. When the lower world is under pushing steam, they wear the look of the revolted sons of Time, fast chained before scornful heaven in an iron peace.
