

Handbook of Plant Dissection (Classic Reprint) (Paperback)

Filesize: 8.29 MB

Reviews

This created pdf is excellent. This is for anyone who statts that there had not been a really worth reading through. Your life span will probably be transform as soon as you total looking over this publication.
(Prof. Esteban Wuckert)

HANDBOOK OF PLANT DISSECTION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook of Plant Dissection A rich harvest of laboratory manuals has resulted to zoology from the publication of Huxley and Martin s Elementary Biology ten years ago. Although that work embraced both animals and plants with over half the examples from the latter, it has given rise to no similar aid to botanical study till the past year. The increasing laboratory facilities in this country seem to warrant the expectation that an elementary manual like the present work will now be found in many instances to afford welcome assistance to both teacher and pupil. In 1882 one of the authors of this book drew up an outline of work for a few plants, which was used in the Summer School of Science of the University of Minnesota. Not long afterward the preparation of the present hand-book was actively undertaken by the three authors conjointly, and has since been gradually perfected and tested by repeated use with classes and individual students. Although the present work is based upon Huxley and Martin s in form and mode of treatment for the laboratory part, it differs in excluding all matters of physiology so far as possible, as the present demands of vegetable physiology will hardly permit harmonious treatment along with a course of dissection. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
