

## The Paradox of Eternal Life: Discourses with Master Teacher (Paperback)

By Master Teacher

Endeavor Academy, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. These discourses, transmitted extemporaneously through the revelatory mind of Master Teacher, are intended as catalysts to your awakening. They will spark in you the memory of the Light correspondence that is your True Divine Nature and enhance in you your transformation as a natural occurrence within the context of man s evolutionary transition from time to eternity. Speaking with the authority of Enlightenment, the Master Teacher in these communications is at once an interpreter and an integrator of many of the world s revelatory theologies. Whether speaking of the physical resurrection promised by Jesus in the Course, the dependence on God as prescribed in the Twelve Steps, the evolutionary revelation of Teilhard de Chardin, or the nature of illumination expressed so eloquently in the poetic genius of Emerson, the Master Teacher directs you personally and experientially to the Singular Source within you of these revelations. Little editing has been done in hope of maintaining and conveying the exciting, spontaneous spiritual continuity.
