Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Batten down the hatches; great change is upon us! Excitement and uncertainty, in larger and more frequent doses, will define business and change management from here on out. To successfully navigate these uncertain waters, you and your crew will need to both understand business agility and practice to master its use to survive and thrive in these mounting seas of change. Colossal mega trends combined with a perfect storm of precarious economic, geopolitical and societal circumstances will make the choppy economic seas of the past look calm in comparison. No business will be safe using tools, methods and management styles developed for yesterday's business as usual. The pace of change will be frantic and to cope will require a flexible, more agile state of mind, plus powerful tools to help you remain focused upon what is coming instead of measuring and analyzing what has already occurred. Get Agile Now! Here is a book packed with simple, practical tools to prepare you and your crew for the ride of your life! Whether you are running a small or medium enterprise, or grappling with the demands of a super large, multinational concern, being agile in thought, action and result is now a necessity. It is no longer only about making good decisions; it is about mastering powerful tools to implement changes effectively. It is about executing change with decisive and engaging leadership skills; to powerfully communicate with everyone involved to get them on board to quickly create measurable results. Praise for Mastering Agility The message is clear: listen to what's going on with all your senses. Get your business associates and partners to do the same. Pay attention. Get...
