And along with her enigmatic assistant, Kai, she's posted to an alternative London. Their mission: to retrieve a dangerous book. But when they arrive, it's already been stolen. London's underground factions seem prepared to fight to the very death to find her book. Adding to the jeopardy, this world is chaos infested, the laws of nature bent to allow supernatural creatures and unpredictable magic. Irene's new assistant is also hiding secrets of his own. Soon she's up to her eyebrows in a heady mix of danger, clues, and secret societies. Yet failure is not an option - the nature of reality itself is at stake.
