The modern day human has not evolved for more than 10, 000 years. As non-renewable natural resources on Earth come to a halt, it is necessary the the homo sapiens sapiens reach a level of enlightenment to further the process of evolution. Twenty year old author, Kyle D. Jones, believes individualism can be used to reach a state of enlightenment through the collective consciousness. Principles that bring individuals closer to their inner being are listed throughout this book, as well as secret laws of the Universe. No matter who you are, where you are, or what situation you are in, Candyland has the power to change your human experience into a more positive and prosperous manner. This item ships from La Vergne, TN. Paperback.
