

The End of Ignorance: Multiplying Our Human Potential

By John Mighton

Random House USA Inc, India, 2008. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. A revolutionary call for a new understanding of how people learn. The End of Ignorance conceives of a world in which no child is left behind a world based on the assumption that each child has the potential to be successful in every subject. John Mighton argues that by recognizing the barriers that we have experienced in our own educational development, by identifying the moment that we became disenchanted with a certain subject and forever closed ourselves off to it, we will be able to eliminate these same barriers from standing in the way of our children. A passionate examination of our present education system, The End of Ignorance shows how we all can work together to reinvent the way that we are taught. John Mighton, the author of The Myth of Ability, is the founder of JUMP Math, a system of learning based on the fostering of emergent intelligence. The program has proved so successful an entire class of Grade 3 students, including so-called slow learners, scored over 90 on a Grade 6 math test. A group of British...
