

In Dreams Awake

By Joe Hoffman

Xlibris. Paperback. Condition: New. 342 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Tom Jordan awoke this mid-summer morning to the two things he loved most. His job as an Airline Pilot and Alex, his special love. But under the restless night was the cloud of on-going nightmares which hounded him and accurately foretold his fate. By the time the sun would set on the horizon that day, he would be clinging for his life on a make-shift raft somewhere off the coast of South America. His only hope of survival was with Alex, in the hope she could find him before the ocean claimed him. Alexandre Sanders, Tom's special love, learned of Tom's trouble when he failed to show up at the airport following his dead-head flight arrival time. Alex, herself an Airline Pilot was subsequently put in charge of the Airlines Rescue Crisis center, dedicated to finding Tom and coordinating the rescue efforts. As time ticked hopelessly away, all hopes were diminished when the Korean Government decided to abandon the search for their own embassy flight. Alex had to move fast and call in some favors for a last chance effort to find Tom in a place...

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
