Rooted in Scripture and Church teaching, each succinct chapter addresses one statement of the Apostles Creed, offering a wealth of historical and biblical background, reflection questions, meditations, prayers, and activity ideas you may have never associated with the Creed. Here's a sampling of what you will learn: How can the Creed help Catholics understand Church teaching on creation and evolution, and the relationship between science and religion? What's the difference between the Apostles Creed and the Nicene Creed? Why is Pilate the only person other than the Trinity and Mary mentioned in the Creed by name? How can our Profession of Faith give us a deeper understanding of our own suffering, death, and promised resurrection? And how can it help us discover the unbelievable tenderness of God every day?
