Around the Wine World in 40 Pages: An Exploration Guide for the Beginning Wine Enthusiast takes readers on a journey throughout the most popular and notable wine growing regions in the world. The book provides an inside perspective on what wine drinkers at all experience levels need to know about the grapes and styles from each region, along with the price points and suggestions on specific wines to try. The book covers varietals and regions including Cabernet Sauvignon, Cabernet Franc, Merlot, Pinot Noir, Shiraz/Syrah, Zinfandel, France, Italy, Spain, Germany/Austria, Chardonnay and Sauvignon Blanc. Each chapter concludes with a checklist of notable wines to try that are representative of each region and varietal. Around the Wine World in 40 Pages: An Exploration Guide for the Beginning Wine Enthusiast was not written as the end-all guide for everything you need to know about wine. Rather, it presents the information in a condensed format that can be absorbed quickly and effectively to help readers chart a course forward with their wine education and exploration.
