Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from **Three Narrative Poems: The Rime of the Ancient Mariner; Sohrab and Rustum; Enoch Arden** The purpose of this volume of the Academy Series is to offer in a single book the three narrative poems set by the New York Regents for a part of second-year English. It is believed that the nature of the poems readily admits such grouping, and that the combination will be a convenience for teachers and a saving for students. Schools which offer only the reading required for entrance to college, and would therefore need only **The Ancient Mariner**, may find the present volume of advantage, in that its use will permit the student to make comparison with other narrative compositions. The text has been carefully chosen in each instance. About the Publisher **Forgotten Books** publishes hundreds of thousands of rare and classic books.
