The national bestselling author of Hooked on Ewe is back with a mysterious murder that leaves the Scottish village of Glenkillen shaken and stirred. Winter is leaving the residents of Glenkillen snowbound, but Eden isn't about to let the weather dampen her spirits. With only a little time left in Scotland, she's determined to make the most of it starting with attending a fancy whisky tasting with local looker Leith Cameron. But her classy date turns into a major party foul after a woman is found drowned in one of the vats of alcohol. Eden immediately steps in as a Special Constable to help solve the case, but her investigation turns sour when she realizes that the killer could be somehow connected to her own Scottish heritage. Now, in order to find the proof she needs to put the murderer behind bars, she'll have to take a shot at unearthing her family's past before she herself winds up buried.
