OBIT DELAYED

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The melody of death. Down at the edge of Mexican town, where the pavement gives out and the yellow dust drifts ankle deep over the hard packed adobe, a radio is moaning a dreamy beat into the night. It is the kind of music that needs two people, but only one is listening - a long legged blonde who keeps time to the music while brushing her glistening hair .She drops the brush and reaches for the tall glass that stands on the dressing table - and then she hesitates, peering into the blackness of the room beyond. There is no doubt about the sound . Frank? She stands up and moves through the doorway, the name still on her lips. And then she dies . horribly.
