

The Place of Anarchism in Socialistic Evolution (Paperback)

Filesize: 6.86 MB

Reviews

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.
(Dalton Mertz)

THE PLACE OF ANARCHISM IN SOCIALISTIC EVOLUTION (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prince Pyotr Alexeyevich Kropotkin was a Russian activist, scientist, and philosopher, who advocated anarchism. Born into an aristocratic land-owning family, he attended a military school and later served as an officer in Siberia, where he participated in several geological expeditions. He was imprisoned for his activism in 1874 and managed to escape two years later. He spent the next 41 years in exile in Switzerland, France (where he was imprisoned for almost 4 years) and in England. He returned to Russia after the Russian Revolution in 1917 but was disappointed by the Bolshevik form of state socialism. Kropotkin was a proponent of a decentralised communist society free from central government and based on voluntary associations of self-governing communities and worker-run enterprises. He wrote many books, pamphlets and articles, the most prominent being *The Conquest of Bread and Fields, Factories and Workshops*, and his principal scientific offering, *Mutual Aid: A Factor of Evolution*. He also contributed the article on anarchism to the *Encyclopaedia Britannica Eleventh Edition*, and left unfinished a work on anarchist ethical philosophy.
