Networking Publishing, United States, 2012. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Career Teen Networking Guidebook The Only Guidebook for Career Networking You Will Need Networking is all about making meaningful connections and leveraging those connections in new and powerful ways. As a teenager whether you are currently in high school, starting your college career, or looking for your first job you are in a position to start laying the foundation for your life in the adult world. This is the time to start thinking about making connections with the people who are going to positively influence you both now and in the future. When you make great connections now the easier it will be for you to fulfill your dreams and live the life you have always imagined. Having a great education is only part of the process. The people you meet now in school, on your sports teams and your extra-curricular activities, in your places of worship are the ones who are going to open doors for you that you may not even imagine. Networking for Teens is your first step toward opening these doors. Networking for Teens is an invaluable guidebook that introduces you to the 7 steps of Networking. It will get you thinking about all of the many people in your life--and perhaps more importantly, the people you would like to know. It will help you build lasting and meaningful connections that inspire you to be the best you can possibly be in any aspect of your life. Through reflection, conversation, and interactive activities, Networking for Teens helps you build your primary circle and connect with people who share your passions and will cheer you on to success. Remember, this is your map. Let it..
