Summary - A new job in Paradise, Colorado seems like the perfect fresh start for Dr. Ben Rogers. Only problem is Dr. Sara Elliot has been counting on getting the same job. They negotiated a shared trial run and Ben found himself drawn to Sara as she was dedicated and compassionate, exactly the type of woman he used to want when family was an option. Ben is surprised to learn that Sara's life is just as emotionally complicated as his own. And if there isn't room for both of them at work, how can they make room for each other in their hearts?.
