Focus Publishing (AU), 2003. Paperback. Condition: New. Language: English . Brand New Book. Psychologized Man: Non-Christians and Christians alike often embrace a low view of God and consequently a casual view of sin and Scripture. Instead of percieveing God as Most High, they attempt to make God subservient to man by thinking of Man(as) Most High. This low view of god is reflected in their attitudes about God, their attitudes about Scripture and the attitudes of the heart. If our minds are to be transformed to think Scriptual beliefs about God we must also have a biblically accurate view of man. The evolution of psychology as detailed in this booklet, focuses on men and women and their needs rather than God. We must evaluate our thinking of ourselves as Pschologized Man Most High.
