A local band is using the murders and the national attention they bring to land a record deal. Local and state police are powerless to stop the killings; the level of hysteria on campus and in the surrounding town is rising with each new addition to the body count. After tracking Dave and Lucas down and demanding to come along on the blood-soaked ride, Rachel finds herself cramming for a crash-course in serial murder. But the final exam may come sooner than she thinks--when Dave and Lucas are brought in for questioning after a friend s body is found at one of the crime scenes and men in unmarked cars start watching their movements 24 hours a day, they have to know.
