History Press Library Editions, 2010. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Just about fifty years before lights atop the courthouse put Wabash in the record books, a gang of squirrels came marauding through the area, denuding the trees and crops. Of course, the farmers fought back with guns; the kids with clubs. This happened just about the time of the Irish canal worker infighting; those boys attacked one another with everything they had. Oh, and there are the unexplained monster sightings and things of that nature. But really, it's not all bizarre. After all, Wabash was the first electrically lighted city, and there are scores of heroes and important businesses. There's just so much to hear about. Come along with authors Ron Woodward and Gladys Harvey as they share the strange and important history of this old Indiana county.
