Mr. Pindar, who had been watching close at hand, came up, and saw a weasel quietly running away, apparently unhurt. On turning the bird over, it was found that the weasel had eaten a hole through the skin under the wing, and torn through the large blood-vessels. Weasels are very kind to their young, and if a dog comes near their nest, they ll attack him, and even a man, with the greatest boldness. The nest is made of dried grass and soft leaves. Sometimes in a warm, comfortable, hollow old tree; sometimes in a snug hole in a bank. There is a sort of weasel called the ermine. Observe the picture. You see that the animal has a different jacket in the winter from that which he has in the summer. Some say that the brown hair of summer turns to white...
