

Figs: Rare and Heritage Fruit Cultivars #13 (Paperback)

By C Thornton

Quillpen Pty Ltd T/A Leaves of Gold Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.FIGS (Rare and Heritage Fruit Cultivars #13) The taste of a tree-ripened, freshly-picked fig, is sublime. Never judge figs on the specimens available in supermarkets, which are often dry and inferior. A ripe, fresh fig should be tender and slightly soft. When you bite into it, a silky surge of juicy, rich flavour fills your mouth, tasting like jam eaten straight out of the jar - only infinitely more subtle and complex, with overtones of honey and wine. The interior of the fruit is packed with luscious flowerlets lapped in a sweet, glistening syrup. The fruit of the fig tree has been sought out and cultivated by man since ancient times, and is now widely grown throughout the temperate world, both for its fruit and as an ornamental plant. Hundreds of named fig cultivars now exist, but only a handful are commercially grown. Find out more about the amazing heirloom varieties within these pages. This book is one of a series written for backyard farmers of the 21st century. The series focuses on rare and heritage fruit in...
