By Blake L Higginbotham

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After almost five decades of service to the King and His Domain, I have concluded that the institutionally controlled religious system has hijacked most of Christendom. The religion of Christianity has been established on a multi-layered foundation with a construct incapable of fulfilling the greater Kingdom purpose of Yahweh. The reality of foundation separation and structural damage has reached a critical mass that could result in catastrophic failure and implosion. What I am presently seeing, and hearing is the reality of a faulty foundation and the absence of Holy Spirit which has resulted in men building something that is both unstable, insecure and unsustainable. If the foundations are destroyed, What can the righteous do? Psalms 11:3 NASB.
