Forgotten Books. Paperback. Condition: New. This item is printed on demand. 300 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Excerpt from Prospecting for Gold and Silver While we have endeavored to give the prospector all assistance in our power, as to the best means of educating himself, describing his outfit, etc., we have devoted special attention to the description of such geological and other phenomena as he is likely to meet with in connection with his work, so that he may have an intelligent idea of them when he encounters them. We have selected just as much material as we think would be most interesting and useful to him, saving him the time and trouble of wading through heavy tomes and laboriously picking out, from a vast amount of, for his purpose, superfluous matter, that which he will most require.
