All kinds of produce common to the State are raised with facility and in good quality, fruits especially being noted for their superior flavor, surpassing in this respect--in the instances of apples, pears and peaches particularly--the fruit grown further south. EDUCATION. The public school system affords entirely the means of education within the county. The number of census children between the age of 5 and 17, is 2,170, and there is a school for about every 50 scholars, Inhere being 44 school-houses in as many districts. Forty-seven teachers are assigned to these districts, and the teaching term at present comprises eight months. PUBLICATIONS. Three weekly papers are published in the county. No pretension is made in their columns to question issues at large, but local interests are devoted to with attention. The Shasta Courier, published at Shasta, is the third oldest weekly in the State. TOWNS. Shasta, the county aeat, with a population of about 700, is situated in the southwesterly part of the county, at a distance of seven miles from the railroad terminus at Bidding. It is on the line of the stage routes to Weaverville and yreka, the roads leading thereto being for the most part turnpikes of excellent grades. It is one of the prettiest of our mountain towns, and is invested with in teresting pioneer associations in regard to notable men and events. The United State Land Office is located here. There are telegraph, daily mail, and express facilities. The...
