Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The mystic title of the celebrated Hermetic fragment with which this volume commences, Kore Kosmou that is, the Kosmic Virgin, is in itself a revelation of the wonderful identity subsisting between the ancient wisdom-religion of the old world, and the creed of catholic Christendom. Kore is the name by which, in the Eleusinian Mysteries, Persephone the Daughter, or Maiden, was saluted; and it is also-perhaps only by coincidence-the Greek word for the pupil or apple of the eye. When, however, we find Isis, the Moon-goddess and Initiatrix, in her discourse with Horos, mystically identifying the eye with the soul, and comparing the tunics of the physical organ of vision with the envelopes of the soul; when, moreover, we reflect that precisely as the eye, by means of its pupil, is the enlightener and percipient of the body, so is the soul the illuminating and seeing principle of man, we can hardly regard this analogy of names as wholly unintentional and uninformative. For Kore, or Persephone, the Maiden, is the personified soul, whose apostasy, or descent, from the heavenly sphere into earthly generation, is the theme of the following Hermetic parable.
