BEST MANAGEMENT PRACTICE FOR WATER POLLUTION

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Best Management Practices (BMP) is a term used in the United States to describe a type of water pollution control. Historically the term has referred to auxiliary pollution controls in the fields of industrial wastewater control and municipal sewage control, while in stormwater management (both urban and rural) and wetland management, BMPs may refer to a principal control or treatment technique as well. Beginning in the twentieth century, designers of industrial and municipal..
