## METALLIZATION OF POLYMERS 2

Condition: New. Publisher/Verlag: Springer, Berlin | As the demands put on the polymer/metal interface, particularly by the microelectronics industry, become more and more severe, the necessity for understanding this interface, its properties and its limitations, becomes more and more essential. This requires a broad knowledge of, and a familiarity with, the latest findings in this rapidly advancing field. At the very least, such familiarity requires an exchange of information, particularly among those intimately involved in this field. Communications among many...
