Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Mr Toxic est une caricature du cancer, il vient se presenter afin de repondre a cette question: Savez-vous qui vous etes vraiment ? Vous etes la, tel ce minuscule et impalpable Moi, conclusion d une conversation de cellules et d atomes. Vous, comme moi, ainsi que tout organisme vivant, n etes qu une modeste collaboration de milliards de cellules, elles ont toute une meme fonction, vous faire vivre ce que vous etes, humainement, socialement. Vos emotions, vos sentiments, vos reves, vos envies, vos refus, et cela meme avant de penser a quoi que ce soit, resultent d un dialogue intime entre vos cellules. Des interactions multiples, au sein de votre corps ou en reaction aux contacts qu il a avec l exterieur amenant celui-ci a repondre et a prendre des decisions qui auront parfois un impact majeur sur votre vie. Cela se passe bien avant que vous puissiez agir en consequence par ce Moi, qui croit gouverner votre corps en tant que dictateur. Quelque part, c est effrayant d en etre reduit a cela, n etre qu une femme ou un homme de paille au milieu d une Nation corporelle.
