FUTURE PERSPECTIVES IN RISK MODELS AND FINANCE

Springer-Verlag Gmbh Dez 2014, 2014. Buch. Condition: Neu. Neuware - This book provides a perspective on a number of approaches to financial modelling and risk management. It examines both theoretical and practical issues. Theoretically, financial risks models are models of a real and a financial 'uncertainty', based on both common and private information and economic theories defining the rules that financial markets comply to. Financial models are thus challenged by their definitions and by a changing financial system fueled by...
