Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Gazetteer of the Bombay Presidency, Vol. 24: Kolhapur The block of Kolhapur below the Sahyadris includes the land! Of forty-three villages and forms a belt about thirty miles from north to south and ten to fifteen broad. Except a few rugged villages at the foot of the Bevda pass, about twenty-four miles south; west of Kolhapur, most of the kolhapur-konkan is composed of level tablelands. These uplands were formerly thickly wooded with teak and other useful trees, but all the valuable timber has long been cut leaving bare or scrub-clad hillsides. The village sites as a rule are well wooded and the village homesteads are surrounded by groves of mango, jack, and undi trees, and in Pomburle, Koksre, Khambale, and Nilvide by cocoa and betel palms. The climate is healthy, though in April and May the heat is oppressive. The two outlying blocks in the east, Raybag and Torgal, lie far within the limits of the Deccan plain. The country is tame and level with a few ranges of low hills, the whole very bare of trees except some clusters of mangoes and bdbhubnear village sites and on the banks but the land is fertile and flat-roofed and are surrounded. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
