Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 114 pages. I wrote this book to help America, its families, its people and every child, woman and man all over the world now and forever bloom and grow. We all want the same thing - a better life for our children. We can accomplish this in America and then, throughout the world. America must set the example. Life is simple. The purpose of life is just to have one. What is your dream for your life What are your goals What are the objectives you need to accomplish to attain your goals and live out your dream As the wise men that founded our country wrote in Americas Declaration of Independence, we have certain unalienable Rights that among these are Life, Liberty and the pursuit of Happiness. They gave the people of this great land, United States of America, their sovereignty, one of our many great gifts. My dream is for every life in this world from the time of conception to have the unalienable right to freedom. Each and every individual has the right to be free. No human being has the right to take away anothers freedom regardless of race, religion or placecircumstance of birth; however, what comes with the right to be free is the obligation to productively contribute (work) to make the world a safe, kind, productive and clean place so life on earth improves from one generation to the next and is sustainable until the earths natural end. We have always and will continue to fight the enemies of this great and noble cause until they see the light and join the cause or the Earth is rid of them. Any one who interferes with or violates the rights of another must...
