Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is only one way to deal with a psychopath and that is never, ever to get involved with one, which is easier said than done because, regardless of the endless havoc they wreak around them, they are virtually invisible to their targets. Then you may begin to notice that they are more impetuous and thrill seeking than anyone else you know, and have an insatiable desire to buy things few people can afford. This is Tim Merchant's detailed account of living over twenty years with a psychopath, and it is important because,...
