Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book has been written in response to many enquiries throughout the years, regarding my Angel Day workshops. Folk have expressed a desire for a book, so that anyone wishing to organise a day for others - or just wish to develop their connections with our celestial guardians on the beginning of their own personal pathway by themselves. This is a self help, spiritually connected and easy to follow book, containing an outline about the programme of an Angel Day at a straight forward level, which forms a background to hold their own days. The book then moves on to help people to formulate a deeper spiritual experience, also using our chakra energy system, with the angels and this can be undertaken on another Angel Day (or days), depending on how the angels move you to incorporate this into another beautiful, serene, and angelic led day.
