Bunya Publishing, Australia, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BUDGIE SMUGGLERS (book 4) Billy hunts street meat for his first ever dinner date, much to Amber s dismay. A cranky council worker named Norm, wants them out of his park, but he also wants his park rid of feral cats. Billy makes a weapon for Amber with mixed results and the drunken burp of a hobo sends her crashing back into the life she just escaped. Billy has no clue what to do with an upset Amber but he does try. His bare bum needs to be kept in check so Amber comes up with a gift. And Larry, Curly and Moe make a meal of a dying man, saving his life and making him giggle. Norm is traumatised to find Billy and Amber gone. This book was just as laugh out loud funny as the first three books in the series. Billy slowly learning about girls and falling in love for the first time in his innocent way was just plain adorable. I can t get enough of these characters and their adventures. It was AWESOME.
