

Myth and Memory: Poems of the Shropshire Hills [Signed]

Filesize: 1.8 MB

Reviews

It is in a single of the best pdf. it had been writtem quite properly and benefical. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. Maximo Johns)

Marchland Books, Shropshire, UK, 2012. Soft Cover. Book Condition: New. First Edition. A new collection of verse-narratives associated with Shropshire landmarks, churches and people. Most of the poems deal with the supernatural or uncanny, but also reflect the glories of the Shropshire countryside. A warrior's spear is charged with the power of lightning on the Stiperstones; a strange presence on Black Rhadley Hill guards a highwayman's gold; a husband seeks for his lost wife in the Dance of Death on Adstone Hill; the owner of Walcot Hall has a frightening encounter in a mock-Indian temple; 'Mad Jack' Mytton is pursued by the 'Seven Whistlers' of Shropshire folklore; Fulke Fitz Waryn's skull is unearthed in an old farmhouse. In a blend of the Gothic and modern, historical characters enter an alternative reality, and new stories, laced with myth and legend, are born from the Shropshire landscape itself. Photographs by Jean Couper. Signed by author. Signed by Author.
