Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Twenty-Ninth Report of the Connecticut Agricultural Experiment Station: For the Year Ending October 31 1905 The connecticut agricultural experiment station was established by an Act of the General Assembly approved March 21, 1877, for the purpose of promoting Agriculture by scientific investigation and experiment. By subsequent legislative acts it is made the business of this station to analyze all the brands Of commercial fertilizers sold in the state, as well as to examine commercial cattle feeds and articles used for human food or drink on sale in Connecticut, with reference to their adulterations. Provision is also made for the testing and marking by this station of all apparatus used in determining the price of milk and cream. Through the state entomologist, a member of the station staff, the station is required to make regular inspections of nurseries, to visit and examine orchards, nurseries, fields, gar dens, or storehouses, at the request of their owners, to advise regarding treatment for insect pests and to diffuse information on the subject. Through the state forester, also a member of its staff, the station is required to manage the state forest.
