Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.
(Prof. Elliott Dickinson)

VACANT (PAPERBACK)

Ace Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Nothing ruins a romantic evening like a brawl with lowlifes--especially when one of them later turns up dead and my date, Detective Isabella Cherabino, is the #1 suspect. My history with the Atlanta PD on both sides of the law makes me an unreliable witness, so while Cherabino is suspended, I'm paying my bills by taking an FBI gig. I've been hired to play telepathic bodyguard for Tommy, the ten-year-old son of a superior court judge in Savannah presiding over the murder trial of a mob-connected mogul. After an attempt on the kid's life, the Feds believe he's been targeted by the businessman's associates. Turns out, Tommy's a nascent telepath, so I'm trying to help him get a handle on his Ability. But it doesn't take a mind reader to see that there's something going on with this kid's parents that's stressing him out more than a death threat.
